Don't forget, it's TAX TIME!

## From the President's Desk:

To all my valued clients, this year has been a difficult one for me and my staff, but we are blessed by our Faithful God and trust that His blessings will continue to overshadow us and our business in 2010 and on into the future.

Preparer Tonya Rearden, due to family and personal reasons, will not be joining us this year. She expresses regret that she cannot join us, but she also highly recommends any of our preparers to serve your tax needs. After selling the business to us several years ago, it has been my great joy and delight to have her continue on our team. It is our desire that she may, in the future, be able to rejoin us. But for 2010 taxes, please know that our trained professional staff is here to continue to serve you.

I PRAISE GOD that He has healed me of my thyroid issues, and I am very thankful. God healed me and I received a CLEAR SCAN in July and a positive lab report in September. I thank God for my health, and look forward to seeing each of you this tax season and serving you again! Thank you for the cards and thoughts you've expressed along the way. I am truly blessed to know you and to serve you.

In spite of all the setbacks and difficult times, the ABS/Bryant's team is ready for the 2010 tax season now upon us! We are located in Langley and look forward to serving your tax needs again this year. We have convenient hours, with extended hours during the busiest weeks of the season. Also, you may enter our drawing for special prizes by referring new friends and family to us this year.

I look forward to seeing you all soon, and appreciate your continued business! May God bless you in 2010 and may His peace guide your every step.

Truly,

*Kay K. Mortimer, EA*

Our desire is to bless our community through the Word of God with encouraging products designed to help you as you journey through life. Store Manager, Paula Little, welcomes you to meet her as you shop.

We look forward to serving you through Christian retail, and invite you all to shop with us. We know that He is the Vine and we are the Branches – so Come, Grow in the Vine with us.
